**Jiří ŠILHÁNEK (born 5 August 1972 in Brno, CZECH REPUBLIC)**

My secondary studies were accomplished in 1990. I enrolled at the then University of Agriculture in Brno, specialization line of Forest Engineering which I graduated in 1995 as an Engineer.

After the graduation I started to work as deputy head of the *Bukovinka* forest district in the Forest Joint-Stock Company of Bučovice where I was employed 3 months and had to start military national service at the army. After return from the national service in the autumn of 1996 I was offered a post of forester in the forest range of *Ruprechtov* by the same company. Forest joint-stock companies were reorganized as at 1 January 1997 and I was dislocated to a post of deputy head of *Olsany* forest district, division Rájec at the joint-stock company of South-Moravian Forests Brno.

In August 1997 I was given the post of foreman in the *Hostenice* forest production operation at the Training Forest Enterprise Masaryk Forest in Krtiny, an educational and research facility of Mendel University of Agriculture and Forestry in Brno. In January 2000 I was posted at the Special-Purpose Department of the TFE Headquarters, which ensures cooperation of the Training Forest Enterprise with Mendel University of Agriculture and Forestry in Brno in paedagogic, research, semi-operational and certification activities. Now I work in department of project by the some enterprise. This department prepare projects a. g. forest roads, forest reservoirs, environmental activities, processing of wood, etc..

My line of specialization is silviculture, forest management planning and forest aesthetics. Two years ago I started my Ph.D. study at Mendel university (Theme-Conversion to a selection forest in less favourable climatic conditions). My leisure time is devoted to game management and racing game shooting in skeet and trap disciplines. My sports are skiing, tennis and cycling. I have a driving licence for passenger car and lorry, and I am also good at PC work.

I can speak fluent Russian and I know a little German. Now I learn English as it is needed for my work. I lived in Krtiny in my childhood and during the years of studies. I am married with one child and we live together with my wife who is right now on the maternity leave in our house in *Habruvka*.
